[redman] \*

Party people, your dreams have now been fulfilled  
Get your ass up, and let's get ill  
That's right y'all, we more than rough, we callin your bluff  
And when it comes to rhymes... (brick city)

[pos]

Yo, don't scandalize mine  
I spent too much time  
Straight talk with the catch to etch my line walk  
Never fetchin for crime, halt! who goes there?

[dove]

Yo, it's the squeeze of five fingers, puffin smokey the bear  
Shinin black like darth vader caps, they on stare

[pos]

While we rockin it, i'll rock in it (rock in it)  
Like the little ball inside the spray can  
Providing three coats for both child, woman and man

Chorus one: redman

God bless the god, lay these streets wall to wall  
It go - ooh, ooh, ooh, ooh!  
Yo, you got popped like a flick by that rivalry click  
It went - ooh, ooh, ooh, ooh!

[pos]

It ain't my fault your ass is on the ashphalt  
Got your chin touched by my fam who though you brought harm, you see  
I'm iced out like a glass of tea  
Better yet, oatmeal cookies, y'all just rookies to me  
Slidin' up and down the court, but i don't think you can  
d

Why try? maseo be gettin high since luke was luke  
skywalk'  
Man, my topic of talk is sheddin shame all over your  
game  
Like them shorties who claim that afrocentric lovin is  
the past drug  
A life filled with (\*tweet\*) that's what thugs love  
Snatch you fast, wrap that ass in the rug of your choice  
While it muffles your voice

[dove]

Now when i'm swimmin through the joint, i put the funk  
on hold  
Cause if you don't, you'll see the bubbles come up  
We run up a tab and gladly add a little extra for miss  
Flashy faces with bigger lips for that ass to kiss

[pos]

Most crews are post-current while we're forever  
Direct beats that's contagious, loved by all ages  
Graduated from the you-and-i-versity  
Of hard-hitters, for real

Chorus two: redman

I got niggas in the streets that'll blast your ass for the  
shine  
And get - oooh, oooh, oooh, oooh!  
Yo, if you a fat chick gettin your fuck on tonight  
Then go - oooh, oooh, oooh, oooh!  
Yo, put your hands opposite to the ground if you're  
lovin our sound  
Go - oooh, oooh, oooh, oooh!  
Yo, and to my broke niggaz on the corner holdin me  
down  
Go - oooh, oooh, oooh, oooh!

[dove]

Yo, i swear tommy gonna get it, he done did me wrong  
I had plans to buy more land, plant corn  
Bust kernels on heat, work hard like wetbacks  
Set backs is gonna get my ass to be hostile  
Rockwilder the beat, top dollar defeat  
Big money's make the big decisions  
Keep hip-hop alive, it's just an intermission  
Back to the second half of the feature flick  
Dick stacks and fuck rap

[pos]

I had a name for makin paper since paper mache  
Now my dollar coins join pounds of yen for play

While you broke niggaz reach drunk much quicker  
You don't make enough bread to soak up all your liquor  
Went from god to god damn

[redman]

Damn god, you're killin it  
Should incorporate it, invest half a mil' in it  
Rap cats talk with no will in it

[pos]

Soundin like they virtual  
This joint'll hurt you, yo

[dove]

Twass the night before christmas and my crib got  
robbed  
(shhh shhh shh, shhhhh) they did a job  
Took all my goodies out from under the tree, except  
the cd's  
Of shiny-suit rappers and flossin emcees  
Who fail at takin it to rhyme degrees

[pos]

Man, you know no wack poems get no play in our  
homes  
You need to not get nappy with me  
Or else we gon' "relax your mind, let your conscious be  
free"

Chorus three: redman

Yo, where my wall street niggaz, if ya up in the stands  
Go - ooh, ooh, ooh, ooh!  
To my women that'll throw they hands against they  
punk-ass man  
Go - ooh, ooh, ooh, ooh!  
Yo, if you never been shot or stabbed  
Brick city go - ooh, ooh, ooh, ooh!  
Yo, i gotta catch a cab back to the lab so i can smoke  
- ooh, ooh, ooh, ooh!
