* - doing run-d.m.c.'s "together forever (live at hollis park '84)"]

[redman] *

Party people, your dreams have now been fulfilled
Get your ass up, and let's get ill
That's right y'all, we more than rough, we callin your bluff
And when it comes to rhymes... (brick city)

[pos]

Yo, don't scandalize mine
I spent too much time
Straight talk with the catch to etch my line walk
Never fetchin for crime, halt! who goes there?

[dove]

Yo, it's the squeeze of five fingers, puffin smokey the bear
Shinin black like darth vader caps, they on stare

[pos]

While we rockin it, I'll rock in it (rock in it)
Like the little ball inside the spray can
Providing three coats for both child, woman and man

Chorus one: redman

God bless the god, lay these streets wall to wall
It go - oooh, oooh, oooh, oooh!
Yo, you got popped like a flick by that rivalry click
It went - oooh, oooh, oooh, oooh!

[pos]

It ain't my fault your ass is on the ashphalt
Got your chin touched by my fam who though you brought harm, you see
I'm iced out like a glass of tea
Better yet, oatmeal cookies, y'all just rookies to me
Slidin' up and down the court, but I don't think you can
d
Why try? maseo be gettin high since luke was luke

skywalk'

Man, my topic of talk is sheddin shame all over your
game

Like them shorties who claim that afrocentric lovin is
the past drug

A life filled with (*tweet*) that's what thugs love

Snatch you fast, wrap that ass in the rug of your choice

While it muffles your voice

[dove]

Now when I'm swimmin through the joint, I put the funk
on hold

Cause if you don't, you'll see the bubbles come up

We run up a tab and gladly add a little extra for miss

Flashy faces with bigger lips for that ass to kiss

[pos]

Most crews are post-current while we're forever

Direct beats that's contagious, loved by all ages

Graduated from the you-and-i-versity

Of hard-hitters, for real

Chorus two: redman

I got niggas in the streets that'll blast your ass for the
shine

And get - ooh, ooh, ooh, ooh!

Yo, if you a fat chick gettin your fuck on tonight

Then go - ooh, ooh, ooh, ooh!

Yo, put your hands opposite to the ground if you're
lovin our sound

Go - ooh, ooh, ooh, ooh!

Yo, and to my broke niggaz on the corner holdin me
down

Go - ooh, ooh, ooh, ooh!

[dove]

Yo, I swear tommy gonna get it, he done did me wrong

I had plans to buy more land, plant corn

Bust kernels on heat, work hard like wetbacks

Set backs is gonna get my ass to be hostile

Rockwilder the beat, top dollar defeat

Big money's make the big decisions

Keep hip-hop alive, it's just an intermission

Back to the second half of the feature flick

Dick stacks and fuck rap

[pos]

I had a name for makin paper since paper mache

Now my dollar coins join pounds of yen for play

While you broke niggaz reach drunk much quicker

You don't make enough bread to soak up all your liquor
Went from God to God damn

[redman]

Damn god, you're killin it
Should incorporate it, invest half a mil' in it
Rap cats talk with no will in it

[pos]

Soundin like they virtual
This joint'll hurt you, yo

[dove]

Twas the night before christmas and my crib got
robbed
(shhh shhh shh, shhhhh) they did a job
Took all my goodies out from under the tree, except
the cd's
Of shiny-suit rappers and flossin emcees
Who fail at takin it to rhyme degrees

[pos]

Man, you know no wack poems get no play in our
homes
You need to not get nappy with me
Or else we gon' "relax your mind, let your conscious be
free"

Chorus three: redman

Yo, where my wall street niggaz, if ya up in the stands
Go - ooh, ooh, ooh, ooh!
To my women that'll throw they hands against they
punk-ass man
Go - ooh, ooh, ooh, ooh!
Yo, if you never been shot or stabbed
Brick city go - ooh, ooh, ooh, ooh!
Yo, I gotta catch a cab back to the lab so I can smoke
- ooh, ooh, ooh, ooh!
