Hey hip-hoppers, tired of that old trend of  
ghostwriters?

nation!  
{\*needle drags\*} {\*gong sounds\*} ghost weed!  
Ghost weeeeeeeeeeeeeeeed!  
Hey ballers, ballettes, thugs, chickenheads!  
Take a listen to how ghost weed  
Will help you kick it like your favorite rapper  
Just a couple of hits and.. {\*inhales\*} it's gangster!

Watch how we secretly sabotaged this cypher with  
ghost weed..

And I'm supposed to be shook? that's the shit that kills

Take a bullet for x in the ballroom and then vanish  
Extinguish the sun when I drew, play pool with the  
planets  
Triskadekaphobia lyrics, outlandish  
My shit straight from the soul, God damnit  
It's the one time only, vernacular original  
Spectacular miraculous flow, computer digital  
I ridicule the pitiful, piss upon the miniscule  
Pharoahe monch, better park that ass like municipal
