

## De La Soul "Talkin' Bout Hey Love"

Visit "[Talkin' Bout Hey Love](#)" on MotoLyrics.com

The radio is so clear in here

Hey, hey love  
Talkin' 'bout 'Hey Love'  
Wanna be your push and shove  
Pop, popcorn up above  
Move like Soul when I say

Go to a club around the way  
And see my 'Hey DJ'  
And make him play 'Hey Love'  
Discover all the football teams

Mack and eat jelly beans  
Run in the cold with no jeans  
Get yourself sick till we're seen  
Catch the flu and make tea

How Dan Stuckie life will be  
It's all about you and me  
'Cause you're my 'Hey Love'  
Hey, move me like Soul when I say

Go to a club around the way  
And see my 'Hey DJ'  
And make him play 'Hey Love', hey

Look Pos, we gotta talk, talk about what?  
Don't play stupid with me, you know what we gotta talk  
about  
What? About you becoming fully dedicated  
So we're about to go through these line-runs again,  
huh?

You're damn right, I wanna know whatever you do for  
me has  
Anything to do with love  
Look, I come all the way from L.I. to the Bronx to see  
you  
Isn't that showing you love?

You see that's just it Pos, I don't wanna be just your

Bronx love  
I wanna be your 'Hey Love', you wanna be my what?  
I said I wanna be your 'Hey Love', I mean it's just not  
the mood  
Being one of the many girls on your list

And you wouldn't be dissing me like this if I was your  
'Hey Love'  
Look, I do everything I can to treat you like a rose  
Yeah, but you even give better treatment to that girl  
Named Selina from uptown like a Daisy

You even gave her some of your special donuts for  
free  
So this is what this is all about, huh? Donuts  
No, Pos, can't you hear the music, it's all about 'Hey  
Love'  
Look I don't understand why you're dissing me

It's not like I'm Paul, I don't have two kids in every state  
But you probably got two girls in every state  
If you're not going to go about it the way I want you to  
Then just leave, 'cause I can't be so bothered

Yeah and wit your wrinkled pussy  
I can't be your lover  
Where's that voice coming from?  
From, from nowhere
