Thirteen valleys he has wandered for her love
For he thinks he is the one that she dreams of
But her bed was made elsewhere from the first day she
got there
Now he wanders thirteen valleys crying out
Now he wanders thirteen valleys crying out

It could have been me
I said, "It could have been me"
A broken heart needs someone new to blame it on
A broken heart needs someone new to blame it on

Thirteen valleys she has gone since morning came
Well she gave so much that only love remains
But her lover is long gone with the money she sent on
Now she wanders thirteen valleys crying out
Now she wanders thirteen valleys crying out

It could have been me
I said, "It could have been me"
A broken heart needs someone new to blame it on
A broken heart needs someone new to blame it on

That broken heart will be forever and a lifetime
That broken heart will try your love like none before
And you may fight or you may run for what was fast is
now undone
A broken heart needs someone new to blame it on
A broken heart needs someone new to blame it on

Thirteen valleys lying silent in the haze
Filled with promises and spirits that we raised
But the spirits all are ghosts of the ones we hurt the
most
And they wander thirteen valleys crying out
And they wander thirteen valleys crying out

It could have been me
I said, "It could have been me"
A broken heart needs someone new to blame it on

It could have been me

I said, "It could have been me"
A broken heart needs someone new to blame it on

That broken heart will be forever and a lifetime
That broken heart will try your love like none before
And you may fight or you may run for what was fast is
now undone
A broken heart needs someone new to blame it on
A broken heart needs someone new to blame it on
