Between a father and a son
Between the city and the one
Before the teacher and the test
Before the journey and the rest

The shining eye will never cry
The beating heart will never die
The house on fire holds no shame
I will be coming home again

Four hundred miles
Without a word until you smile
Four hundred miles
On fields of fire

Between a woman and a boy
Between a child and his toy

Between a woman and a boy
Between a child and a toy
Before the falling of the West
Before the journey and the rest

Four hundred miles
Without a word until you smile
Four hundred miles
Without a word until you smile
Four hundred miles
On fields of fire
