Like a flashlight on but lost, my energy's there but
wasted!

Like a flashlight on but lost, my energy's there but
wasted!

You talk a lot a lot 'bout nothing!
You go on and on...You go on and on.
I hear you talk a lot about nothing
It goes on and on...It goes on and on. (GO!)

You're a really easy act to follow!
You're a really easy act to follow!
You're a really easy act to follow!
Once we jump in, we're all gone
Like a flashlight on but lost, my energy's there but
wasted!

I'm sitting down (down). I'm sitting down (down)
For what? For nothing! (It's gotta be our way)
For nothing! (It's gotta be our way)
So I'm getting, getting up, getting up, I'm standing up!
And leaving nothing! (It's gotta be our way)
I'm leaving nothing! (It's gotta be our way)

I've never seen someone's emotions break it all
I'm on my way out, I'm on my way out.
Too much too late, you haven't thought but you speak
loud
You're on your way out, you're on your way out!

You're a really easy act to follow!
You're a really easy act to follow!
You're a really easy act to follow!
Once we jump in, we're all gone
You're a really easy act to follow!
You're a really easy act to follow!
You're a really easy act to follow!
Once we jump in, we're all gone
...Once we jump in, we're all gone
...Once we jump in, we're all gone!
...Once we jump in, we're all gone

...Once we jump in, we're all gone! Gone! Gone!
Once we jump in, we're all gone!

IT'S GOTTA BE OUR WAY!
IT'S GOTTA BE OUR OWN WAY!
IT'S GOTTA BE OUR WAY!
IT'S GOTTA BE OUR OWN WAY!

Like a flashlight on but lost, my energy's there but
wasted! (Our own way)

Like a flashlight on but lost, my energy's there but
wasted! (Our own way)

Like a flashlight on but lost, my energy's there but
wasted! Wasted! (Be our own way)
