In your fine green ware  
I will walk with you tonight  
In your raven hair  
I will find a Summer night

Upon far flung soil  
I will run you through my head  
In my daily toil  
All the promises are said

I know the weary can rise again  
I know it all from the words you send

I will go, I will go  
I will leave the firelight  
I will go, I will go  
For it's now the time is right

I will sing a young man's song  
That you would sing  
On Remembrance day  
I will be the sacrifice  
Bells will ring  
On Remembrance Day

I must leave this land  
And the hunger that is here  
But the place I stand  
Is the one I love so dear  
Like a flower in some forest  
That the world will never see  
I will stand so proud  
For I know what we can be

I know the weary can rise again  
I know it all from the words you send

I will go, I will go  
I will leave the firelight  
I will go, I will go  
For it's now the time is right

I will sing a young man's song  
That you would sing  
On Remembrance day  
I will be the sacrifice  
And bells will ring  
On Remembrance Day

This day I will remember you  
This way, I will always return  
(x2)

And I will sing a young man's song....
