Whoa-oh Safe Haven

Lost boy cannot feel
Though you try and you try and you try
You cannot feel

Whoa-oh Safe Haven

Lost girl cannot feel
Though you try and you try and you try
You cannot feel

Whoa-oh Safe Haven

(Turn up this beat up stereo, play it down all soft and
slow)
(sweet and lowdown)

It's five o'clock, I find your house.
The bus was long, the sun is up.
Your place is wrecked, it's smell is stale
I walk through trash, you're up the stairs
You're on the roof
You said you'd be
Crawl through the window
You smile at me
It's safe to say here, it's safe to say
Relax, slow down, take a breath and breathe

Whoa-oh Safe Haven

(Turn up the beat up stereo, play it down all soft and
slow)
