We sail into nothing  
Sail on crystal wings  
We sail into nothing  
And never need these ships again  
No

When I am tired  
Tired of the fight  
You come to me  
And it's all right

When I am weary  
Weary of my sins  
You lie with me  
When I'm fallen

And we - we sail into nothing  
Sail on crystal wings  
We sail into nothing  
And never need these ships again  
No

We sail into nothing  
Sail on crystal wings  
We sail into nothing  
And never need these ships again  
No

When I am lonely  
Lonely in the night  
You come to me  
And it's all right

If I am waiting  
Fallen out of line (yeah)  
You pick me up  
Make it all fine

And we - we sail into nothing  
We sail on crystal wings  
We sail into nothing  
And never need these ships again

No

We sail into nothing  
Sail on crystal wings  
We sail into nothing  
And we never need these ships again  
No

If I am beaten  
Down and on my knees  
Yeah you pick me up  
And you set my soul free

We sail into nothing  
Sail on crystal wings  
We sail into nothing  
And we never need these ships again

We sail into nothing  
Sail on crystal wings  
We sail into nothing  
And we never need these ships again  
No

We sail into nothing  
Sail on crystal wings  
We sail into nothing  
Never need these ships again

No
