Oh I... oh I know. [x2]

She's lovely, she's lovely. [x2]

Oh I (she's lovely)... Oh I know (she's lovely). [x2]

Oooh, hey ya. Oooh, hey ya. [x2]

She told me that she likes you.
She told me that she likes you.
She told me that she likes you.
She wants you to know.

Oooh, hey ya. Oooh, hey ya.

She told me that she likes you.
She wants you to know.
She told me that she likes you.
She wants you to know.

Oh I (she's lovely)... Oh I know (she's lovely). [x8]
