I can hear the dogs a-howling,
Guess they got us enemy.
I got four rounds in this pistol,
But I'm saving one for me.

My name is Ethan Harper
I'm from Bristol, Tennessee
I was raised to fight the devil
Wherever he may be

Let me be His flaming arrow,
Let me wield His fiery sword.
I am the angel of His vengeance;
I am a soldier of the Lord.

I spent long nights seeking wisdom,
'til I heard the voice of God.
He said "Suffer the little children,"
And I knew I had a job.

You can use a truck of fertiliser,
Or a can of gasoline.
There's a guy out at Fort Campbell,
Who can get you what you need.

(Chorus)

.
They say I'm nothing but a killer,
But the blood is on their hands..
I'm but a shepherd for my Saviour
Keeping the wolf from the lambs.

For this battle may be over,
But the war will carry on,
I got four rounds in this pistol,
"Lord, I'm coming home."

(Chorus)

.
For my name is Ethan Harper,
I'm from Bristol, Tennessee.

I was raised to fight the devil,
Wherever he may be!
