

De Rosa "Headfirst"

Visit "[Headfirst](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Sun sings a long time
Swallows dive into the mines
Hollowed hills and hallowed thy name below mine
Yours is the sign followed
Dead curses taking me
Big men are making me fight

If I can't think of something
Then I will not do nothing tonight
Dead thirst awakened
My head first is taking it's time

If I can't think of something
Take my head first or nothing tonight
Tons biting the iron
Empty breathe takes the long line

Out of depth
Charges by time, pays by thought
Peace to the kind suffer not
You try to pin it down
You try to pin it down to anyone
You can't pin it down to any one town
