I'm afraid of you  
When I see you glare  
I will go down on my knees  
I'd do anything for you  
Want to taste all sins  
I lick off your feet  
I can't get enough  
I can never stop the lust  
I keep still now you can bleed me white  
If you stay you see my second side  
I keep still now you can bleed me white  
You'll discover an undying light  
I play the fool for you  
I lay down my pride  
I will go down on my knees  
I'd do anything for you  
You can seal my fate  
I give my heart to you  
I can't get enough  
I can never stop the lust  
I keep still now you can bleed me white...
