You, say your word to me
Your light will make me see
I want to give myself to you
I must find a way
The way to make you stay
I need you here today
Cause I really want to love you now
Please, so let me pray
Though you let me down again and again
I can feel your cold aslain
I lost myself in you
In you
I say 'Hello' to you
Your blossom makes me blue
Yes, I really want to hurt you now
Say you want me too
Someone is trying to tell (?tear) us apart
Trust can be broken by one word
Spoken words are hard to hide
Spoken words are hard to hide
But when we trust in each other thought (?)
It is a mark of confidence
A mark of confidence
Circulate, circulate, circulate
I circulate in your arms
Circulate, circulate, circulate
I circulate in your armsÂ...
