Fourteen years on a steam-pack sonny  
Trying to get the kit off my back  
Pushing Shanghai to Liverpool sonny  
Pissing in the wind and the flag

You're kipping out in the railway station  
Now you've left the navy behind  
You're hoping just to ride

Fourteen years of belligerence sonny  
Working from Dakar to Belise  
Fourteen years of Marine life, baby  
Trying to keep a man of your knees

Your kipped out in a railway station  
Now you've left the navy behind

You're hoping just to ride  
Hoping just to ride  
Hoping just to ride
