The glow in your eyes  
Reveales your willingness  
Don't loose your tie  
I want your sweet caress  
Longing for your touch  
Is what i feel inside  
My body missed so much  
That's why i'll give up all my pride  
Get over the wall  
Conquer my inmost soul  
Hold me tight if I fall  
Into your tempting hole  
Get over the wall  
Let your feelings flow  
When I hear your call  
I fell my passion grow  
You turn black  
Into the brightest white  
You don't keep me back  
When I want to see the night  
There is so much time to sin  
And we can stand it all  
There is so much we can win  
So get over the wall  
Get over the wall..
