I believe in your heart can you believe in me  
Would you try me out one day when your souls are free  
I can taste your sweetness I am out of control  
Leave my mind if you dont stay you decompose my  
soul  
Cant you hear me calling longing for a calm  
Cant you see Im falling soon Ill come to harm  
Cant you feel my yearning for your charity  
Cant you see Im burning till our souls are free  
Waiting for an answer Im waiting for a sign  
I do not understand these feelings hope youre felling  
fine  
Cant you hear me calling longing for a calm  
Cant you see Im falling soon Ill come to harm  
Cant you feel my yearning for your charity  
Cant you see Im burning till our souls are free
