I suffer from a tumor
Here inside my chest
I gotta lay to rest
A strange kind of humor
The grin on your face
Soon leaves without a trace
Now IÂ'm out of love
Noone can fill this heart of mine
I ran out of love
Now IÂ'm out of
Put an end to yourself
And youÂ'll be closer
The world is but a tumor
The cold light of day
WonÂ't turn the night away
HumanityÂ's a rumor
Unless my soul reacts
The whole world my collapse
Now IÂ'm out of love
Noone can heat this heart of mine
IÂ've run out of love
Now IÂ'm out of
