What will be left over If we should ignore the dirty air again What will be left over If we should ignore the danger in the land Don't look away now Let them leave (? live) in peace And try to understand Don't look away now Let them stay here Taken by your hands AndÂ... one day We have to explain A (?the) world full of pain It will never be the same again But now it's not too late Cause they have ??????? day To resque our world from pain More than once I hear them saying That it's nowhere near and ????????? That's more than that I knew two words Through ingnorance It's time for you to go Don't look away now If we should ignore the dirty air again Don't look away now If we should ignore the danger in the land Don't look away now Let them leave (?live) in peace And try to understand Don't look away now Let them stay here Taken by your handsÂ... Don't look away now Don't look away now Don't look away now Don't look away nowÂ...
