

De Vision "New Drug"

I lost my sight when I got stun
I never bled so
Do I slide into vice
Till I'm gone?
You're like a dive into the wild
Like poems
Holding me as gentle
As a new born child at night
Then sorrow breaks
The silent spell
My mind is clearing up
And takes me back
Into my shell
Back to hell
I hope you
Won't see me through
Like I do
I can't get
You out of my mind
I see still I'm blind
I hope you
Won't see me through
Like I do
I can't get
Me out of this hug
Just be my new drug
