"Scars"

I know I came too late
To save your heart
I couldn't change your fate
Now we're torn apart
We were just boys
When you had to go
Each day I miss you voice
And I'm feeling low
Heal the scars in my soul
Now the time is right
Heal the scars in my soul
Wipe out the shame inside
And now it's much too late
To save your heart
I suffer from our fate
We're torn apart
Heal the scars in my soul...
