Here I stand
I close my eyes
I can faintly hear my thoughts
A mental suicide
This is it
No compromise
I'm trying to catch a glimpse
Of where my future lies

All alone
I'd rather be here with you now
On my own
A ticket to a world unknown
My love silent moan
I'm waiting where the willows weep
The cold wind blows and the world's asleep
All I do I wait for you

And when the day is done
I'm fading with the sun
Now I'm not holding on
To a world that's gone
Mine, mine forever mine
Until the end of time
Pure love is hard to find
In a world unkind

All alone
I'd rather be here with you now
On my own
A ticket to a world unknown
My love silent moan
I'm waiting where the willows weep
The cold wind blows and the world's asleep
All I do I wait for you
