"Someone To Draw The Sword"

The shame in his face
the price that he pays
The hopelessness in his eyes
The pain in his voice
There's no other choice
The hopelessness in his eyes
The sorrow he felt inside
There was no place to hide
It made him sad
The story he told me there
Out in the smoky air
It made me sad
Everyone needs a friend
Someone to take the hand
Someone to love
Then when he found support
Someone to draw the sword
Then he found love
Everyone need a friend...
