Tell me what I like  
The certain things I had to hide  
I never dared to tell  
This is what I like  
Now I have overcome my fright  
I couldn't stand its smell  
You promise me delight  
Your flesh becomes my bribe  
A gift I can't resist  
I have to run the risk  
Your innocence and pride  
The sweetest I could find  
Deceive me with your kiss  
Betray my fading lips  
Take me by the hand  
Escape with me into your land  
Of neverending lust  
Mind and bodies melt  
You know your game has reached the end  
My everlasting trust

You promise me delight  
Your flesh becomes my bribe  
A gift I can't resist  
I have to run the risk  
Your innocence and pride  
The sweetest I could find  
Deceive me with your kiss  
Betray my fading lips  
You promised me delight  
Now hurt me day and night  
A gift I gladly keep  
To fool another cheat  
You kiss my face good bye  
And leave me with a smile  
You lead me into deep  
Another soul to keep
