You, you stay at home tonight
And hide your face again
Why don't you look at me
You, you don't see what I feel
I try to laugh about it
Don't you know that I bleed again
You, can't you see what I feel
I want you by my side
You are against the same pain
Why you?
You, you can not hide that thought (?)
You are afraid and I know
That you will see my face
Hear the words I say
And your dreams again
You have't got the time (?)
You have't got the time
You have't got the time
You have't got the timeÂ...
You, you can't you see what I feel
Can't you see what I feelÂ...
Put your look at me
