All day in my mind
I replay the 2nd time we chimed
So sweet what a treat sensuelle
Skin on skin is swingingly swell
Fat treasures
Don't compare to our pleasures
Kissing and suckling
The boots come unbuckling
Enter sexual altered states
No sleep um we're staying awake

The music connects us
The rubber protects us
And what the neighbors think
Just doesn't effect us
Check my spot and dig my swirl
I'm a liberated girl

I need your loving
I want your love
I'll be your friend
I'll be your lover

Against me your body's pressed
I want to hug and kiss you
And all the rest
Forget your troubles, ills and aches
And like an earthquake
Our body shakes

Turn up the frogger bass
And enter sexual altered state
Take off your shirt
I'll take off my bra
A rub a dub lovin'
Until you say ahhh...
Keep holding on until you say ahhh...

You're smiles as big
As the Brooklyn Bridge
You rock me like no one ever did
Live and let living

Tripping not slipping
Chewing on a chicklet
Make me want to knee dip
Let me roll my full hips
Rolling Philly's acting silly
The hippy spliffy
Made you lick your lippy
Our love a dub rubbin'
Is king size trippy

Keep holding on until you say ahhh...
