{Listen, you can sing this, the problem is your not  
having any fun  
Just don't think about the melody, just think about the  
words  
It's about obsession, just sing it with me}

Like the beat, beat, beat of the tom, tom  
When the jungle shadows fall  
Like the tick, tick-tock of the stately clock  
As it stands against the wall  
Like the drip, drip, drip of the raindrops  
When the summer shower is through  
So a voice within me keeps repeating you, you, you

Night and day you are the one  
Only you beneath the moon and under the sun  
Whether near to me or far  
It's no matter darling where you are  
I think of you

Night and day, day and night, why is it so?  
That this longing for you follows wherever I go  
In the roaring traffic's boom  
In the silence of my lonely room  
I think of you

Night and day, night and day  
Under the hide of me  
There's an oh such a hungry yearning burning inside of  
me  
And this torment won't be through  
Till you let me spend my life making love to you  
Day and night, night and day
