Guilty is a label of lives...
Live is a label of future. Future is a label of past.
Past is a label of history.
History is not a label of recall.
History is not a label of recall.
History is not a label of recall but of words.

A flower is a label of a rose. A rose is a label of cultural nature.
Guide is a label of heaven. A mirror is the label of the silence. A Guide is a label of heaven.

A rose is a label of cultural nature.
Roses come from... Where we will never go to.

Roses come from... Where we will never go to.
Roses come from... Where we will never go to.
Roses come from... Where we will never go to.

Live is a label of future. Future is a label of past.
Past is a label of history.
History is not a label of recall.
Roses come from... Where we will never go to.

Birth is a label of end. End is a label of beginning.
Beginning is a label of hope. Hope is a label of future.
Future is a label of past. Past is a label of history.

Roses come from... Where we will never go to.
Roses, roses, rose...

Guilty is a label of lives...
A line is a label of an extended bow. An arrow is a label of a bow.

Roses, roses, rose...
Roses, roses, rose...

Guide is a label of heaven...
Roses, roses, rose...

Roses come from... Where we will never go to.

Roses, roses, rose...
Roses come from... Where we will never go to.
Where we will never go to.
