You are holy, God of the Heavens
Almighty, Lord of Creation
You have power the universe displays
All things fade away but You remain

And Your mercies stretch across my life
As far as I can see
And I know from experience
That You are good indeed

I stand here in amazement
Of Your awesome majesty
For words cannot describe, oh God
Everything You are to me, to me God, You are

You are Father, You called me Your very own
My redeemer, You left Heaven's throne
My ransom with blood for me, You paid
So one day unashamed, I'll see Your face

And Your mercies stretch across my life
As far as I can see
And I know from experience
That You are good indeed

I stand here in amazement
Of Your awesome majesty
For words cannot describe, oh God
Everything You are

Indescribably good
Lord, that's what You are to me
And You are making me into
Just what You want me to be

You are Jesus
And I love You

Your mercies stretch across my life
As far as I can see
And I know from experience
That You are good indeed

I stand here in amazement
Of Your awesome majesty
For words cannot describe, oh God
Everything You are

I stand here in amazement
Of Your awesome majesty
For words cannot describe, oh God
Everything You are to me
