I woke up this morning and looked out my window  
I could see the sun shining down on me  
It reminded me of You and of all that You do  
And of all the love that You've shown to me

Thank You Lord, oh thank You Lord  
I am so thankful for a friend like You  
I thank You Lord, oh thank You Lord  
I am so thankful for a friend like You

Jesus Your love is better than life to me  
Your goodness is always by my side  
And why You love me is hard for me to see  
But I love You Lord cause You've been so good to me

Thank You Lord, oh thank You Lord  
I am so thankful for a friend like You  
I thank You Lord, oh thank You Lord  
I am so thankful for a friend like You

Though I may never be  
A scholar with a fancy degree  
One thing I know for sure is that I love You  
And You love me Lord

Thank You Lord, oh thank You Lord  
I am so thankful for a friend like You  
I thank You Lord, oh thank You Lord  
I am so thankful for a friend like You

Thank You Lord, oh thank You Lord  
I am so thankful for a friend like You  
Thank You Lord, oh thank You Lord  
I am so thankful for a friend like You  
A friend like You, a friend like You  
A friend like You Lord, a friend like You
