Strangers are attacking me  
Ruthless, they seek to steal my life  
They have no regard for You Lord  
Vindicate me by Your might

Though the darkness tries to steal my heart  
It comes with out warning  
But Your mercy covers me because  
It's new every morning, it's new every morning

I place my trust in Your holy blood  
To cleanse and protect me from all my sin  
Though the enemy rushes in  
Your spirit will lift up a standard against him

Though the darkness tries to steal my heart  
It comes with out warning

But Your mercy covers me because  
It's new every morning

When the darkness tries to steal my heart  
It comes with out warning  
But Your mercy covers me because  
It's new every morning

Though the darkness tries to steal my heart  
It comes with out warning  
But Your mercy covers me because  
It's new every morning

When the darkness tries to steal my heart  
It comes with out warning  
But Your mercy covers me because  
It's new every morning, it's new every morning  
Your mercy is new every morning
