Yeah, yeah

Well I am standing in the field
Firmly planted like a tree
And though my roots grow deep
I still sway from side to side
When the wind blows by

And this whole world keeps pulling me
But inside I know the truth
No matter what this life can give
I know my heart was made to live for one
It wasn't made for two

So when You come to me
Questioning priority
Lord, let me drop everything
And answer You

Yes Lord, You are, You are, my one and only
Yes Lord, You are, You are, my one and only

It is still hard to believe
That You look past all the flaws in me

You see through the outside part
To the motives of my heart
There is nothing I can't hide

So come and take away
Every thought that disobeys
Until my response to You is truthfully this

Yes Lord, You are, You are, my one and only
Yes Lord, You are, You are, my one and only

Remind me, Lord
That You are a jealous God
Then my heart will truly say

Yes Lord, You are, You are, my one and only
Yes Lord, You are, You are, my one and only

Yes Lord, You are, You are, my one and only
Yes Lord, You are, You are, my one and only

Yeah-e-yeah
My one and only
