Who could ever find the words
To describe the Indescribable
Limited vocabulary falls
So short of depicting You, God

Yet I'm distracted, the things
Of this world threaten to pull me apart
But in Your mercy You hear
The cry of my heart

Only Jesus, only Jesus
Lord, I'm tired of all the rest
When my heart knows You are best
Only Jesus, only Jesus

A Son of God and Son of Man who
Came to destroy the work of sin
And it's work in me was crushed when
You became the way for me

Help me surrender and stop pretending

That I can live on my own
I'll find who I am wrapped up in You alone

Only Jesus, only Jesus
Lord, I'm tired of all the rest
When my heart knows You are best
Only Jesus

Come and change, Lord
Rearrange every part of me
Until You are all that can be seen
Come, be seen in me

Only Jesus, only Jesus
Lord, I'm tired of all the rest
When my heart knows You are the very best

Only Jesus
I'm tired of all the rest
When my heart knows You are the very best

Only Jesus, only Jesus
Only Jesus, only Jesus, only Jesus
