Hear no evil, see no Evil
Speak no Evil on the outside
Full of pride, full of lies
So, well they hide on the inside

They'll never be all that they seem
They live the life of a Pharisee

Not perfect on the surface
So far to go on the outside
But a true heart and a new start
Is what lives on the inside

For whom the Son has set free
He is free free indeed

Receive the Son who makes us free
Then you will be free indeed

Receive the Son who makes us free
Then you will be free
