Locked inside this cell of flesh  
I sat awaiting an eminent death  
The fruitful labor of my sin  
Had brought me to what I knew would be my end

Well I had a debt I couldn't pay  
You paid a debt You didn't owe  
You gave Your life for me that day  
So freedom I could know

Set me free  
From the chains that bound me to my sin  
Set me free  
From this life that I've been living  
Set me free

There has never been a time  
When Your mercy did not find me  
I tangled up in all my sin  
And then so faithfully unwind me

But just before I slipped away  
You heard me when I called your name  
There'll never be a day  
When You don't come and

Set me free  
From the chains that bound me to my sin  
Set me free  
From this life that I've been living  
Set me free

'Cause You are the author and the finisher  
Of the faith in me  
I know I can trust in You to come  
And set me free  
From the chains that bound me to my sin

Set me free  
From this life that I've been living  
Set me free

Oh won't you come and set me free?  
Oh won't you set me free?  
Oh won't you come and set me free?  
Oh won't you set me free?
