Lookin' around at the world and her treasure
I know I should know better but I just wanna have it all
right now
Lookin' to take, I'm taken before, I know it I'm gainin'
All that the world has to offer but losin' my soul
somehow

Now I've heard stories of fame and glory
And all that they can bring me
But Heaven sings of the deeper things like
A humble heart diligently seeking

You are the only and You are the only one for me
For all my days
You are the only, You are the only one for me
Come and make me Yours forever

I heard You say that the thing about passion is where
all the action is
Your heart ain't trailin' far behind
I'm makin' a list and lookin' at what I missin'
And at where I'm spendin' my time
Am I missin' the one thing that I wanna find?

But wise men prize what the fools call lies

And the carnal call no fun
But I'm no fool to be cravin' You
To be wantin' to be with the only one

You are the only and You are the only one for me
For all my days, yeah
You are the only and You are the only one for me
Come and make me Yours forever

Gonna step out into the light of day
No more hidin' in the darkness that holds me back
You can find me here on the narrow way
And when they come askin', I'll just tell them that

You are the only, You are the only one for me
For all my days, yeah

You are the only, You are the only one for me
Come and make me Yours forever

You are the only, You are the only one for me
For all my days, yeah
You are the only, You are the only one for me
Come and make me Yours forever
Come and make me Yours forever
Come and make me Yours forever
