Eternal King, we bless Your name
For You were and You are
Forever You will be praised in this place
And Lord our hearts are yielded
We give them only to You God

There is none righteous, there is none worthy
There is none Holy but You the King
And I will live my life to sing of Your wonder
To shout of Your glory, so creation will hear God
We want the world to hear, we want the world to hear

Oh sovereign King this heart is free
From the death that I was born into
You put Your grace out on display
And in response I can help sing Your praise God

There is none righteous, there is none worthy
There is none Holy but You the King
And I will live my life to sing of Your wonder
To shout of Your glory, so creation will hear God
We want the world to hear, we want the world to hear
Hallelujah we sing, hallelujah we cry
Hallelujah, we're living for Your name Jesus
Hallelujah we sing, hallelujah we cry
Hallelujah, we're living for Your name

Hallelujah we sing, hallelujah we cry
Hallelujah, we're living for Your name Jesus
Hallelujah we sing, hallelujah we cry
Hallelujah, we're living for You

There is none righteous, there is none worthy
There is none Holy but You the King
And I will live my life to sing of Your wonder
To shout of Your glory, so creation will hear God

There is none righteous, there is none worthy
There is none Holy but You the King
And I will live my life to sing of Your wonder
To shout of Your glory, so creation will hear God
We want the world to hear, we want the world to hear

We want the world to hear
