You see yourself in the mirror of the temporary  
And you think that your worth is something to be  
achieved  
When your value really is a question of identity  
Has it ever crossed your mind who you are to Me?

You're the precious child that I created  
(Who you are to Me)  
I bought with a price, you're My beloved  
(Who you are to Me)

Open your eyes and I'll show you  
How to see what I see  
If you would just believe that you are  
Who you are to Me

Defusing the bomb instilled within the minds of  
children  
You're the life inside a body that refuses to believe  
A revelation of My love is waiting just to be received  
Won't you let Me show you who you are to Me?

You're the precious child that I created

(Who you are to Me)  
I bought with a price, you're My beloved  
(Who you are to Me)

Open your eyes and I'll show you  
How to see what I see  
If you would just believe that you are  
Who you are to Me

And I love you so much that I crossed the great divide  
And I love you so much that I sent My only Son to die  
And there's no one who could ever take your place in  
My heart  
I want you to know that I love you right where you are

You're the precious child that I created  
(Who you are to Me)  
I bought with a price, you're My beloved

(Who you are to Me)

Open your eyes and I'll show you  
How to see what I see  
If you would just believe that you are  
Who you are to Me

Who you are to Me  
Who you are to Me  
Who you are to Me
