On this hallowed ground
In this holy moment
Lord, I am amazed
Standing in Your presence

Let my heart be still
And everything surrounding
Listen to the voice
That was all creations founding

And speak
Words of life
Words of life
Words of life to me, to me

Down here on my knees
I'm broken and I'm bleeding
Longing to be free
So desperately I'm needing

You to look my way
And see this poor heart beating
You have but to say
One word will be my healing

Lord speak
Words of life

(Speak to me)
Words of life
(Jesus speak)
Words of life to me

Speak Your words of life to me
Say the words that set me free
I long to hear You, long to feel
You're drawing near, I'm drawing near to You

Speak Your words of life to me
Say the words that set me free
I long to hear You, long to feel
You're drawing near, I'm drawing near to You

Words of life
(Speak to me)
Words of life
(Jesus speak)
Words of life to me

Words of life
(Speak to me)
Words of life
(Jesus speak)
Words of life to me, to me, to me
