"You In Me"

Up tight, down right wound up like a spring
Funny how I worry bout what just don't mean a thing
But then that's when you speak Your truth to me
You say, "Things aren't what they seem
This life's not what it seems and it changes"

I'm in less of a hurry
I'm less likely to worry
When in my heart I receive
Thoughts of my eternal destiny

I've given up frustration
Trust You with out hesitation
But my mind just can't conceive
That it must be the You in me Lord
Yeah yeah, yeah yeah

I tried till I cried to bring about some change
But in spite of all the work my efforts were in vain
Well I guess for this mess I'm the one to blame
Because when I'm trusting You God
My life's just not the same I'm different now

I'm in less of a hurry
I'm less likely to worry
When in my heart I receive
Thoughts of my eternal destiny

I've given up frustration
Trust You with out hesitation
But my mind just can't conceive
That it must be the You in me
No matter what my present situation
Well I need to give it all to You, yeah yeah

I'm in less of a hurry
I'm less likely to worry
When in my heart I receive
Thoughts of my eternal destiny

I've given up frustration
Trust You with out hesitation

But my mind just can't conceive
That it must be the You in me, yeah

The You in me God
You in me Lord, yeah yeah
It's the You in me
