I hear the music coming out of the radio
Are you there with another girl
Instead of me
I hear your laughter and theres something i've got to
know
Are you there with another girl
Instead of me

I'm standing on your doorstep and i don't know what to
do
Should i ring your door bell or just walk away
My friends all say you were never true
(hiding in the shadows)

I see two silhouettes at the back of your window shield
Are you there with another girl
When i am gone
I can't believe you'd break the promises that you made
If your there with another girl i can't go on

I only know i love you i couldn't say why
So if theres another i don't want to know
If you should go i would surely die

Love requires faith i've got a lot of faith but

I hear the music coming out of your radio

I only know i love you i couldn't say why
So if theres another i don't want to know
If you should go i would surely die

You would never leave me hurt me or deceive me
I'm a fool to doubt you worry so about you
Love requires faith i've got a lot of faith but

I hear the music coming out of the radio

Hmmn yeah, i hear the music , coming out of your
radio
The sweet sweet music
And your there with another girl

I hear the music
I don't wanna know
