(Cover Version)

The freedom train is coming, can't you hear the whistle
blowing

Its time get your ticket and get on board

Its time for all the people to take this freedom ride

Get it together and work for freedom side by side

I'm gonna ride on the freedom train

I ain't gonna live this way again

I'm gonna get on the freedom train

From this day on I'll be a free man (yes I will I'll be a
free man)

Seem like the times are changing people

The trains waiting at the station

Go on up to the mountain top and get on board

Were gonna ride on through the valley

Under the clear blue sky

Everybody's gonna stand up proud with their heads
held high

I'm gonna ride on the freedom train

I ain't gonna live this way again

I'm gonna get on the freedom train

From this day on I'll be a free man (yes I will I'll be a
free man)

Keep on moving, Cast your vote

Tell 'em where to get off ,Keep on Going

We're gonna see the mountains, Keep on going

Gotta get your ticket,The Freedom Train
