take place upon my visage
tongue's sliding in - butthole on my chin
what a taste! What a smell!
your sweet candy it tastes so well

clear position, right upon my face.
your legs surround me, gasp for breath!
drowning below you, deeper inside.
come on and take another ride!

your got your ass in the back seat
your crack invites me to eat
you're kicking my face when I'm down
smashing my teeth around.

abusing me like a toilet seat,
inhale the gas and enjoy the heat!
warm brown cream is the perfect dish,
satisfy my nauseous wish!!

you got your ass in the back seat...

lips to nibble, lips to eat
sugar honey take a seat!

my face is your mathcing chair
your big butt a powder keg

exhaust gases from inside
take my nose for a ride

what a taste! what a smell!
your sweet candy it tastes so well
squeeze my Wiener, shake your ass
express yourself just say "yes"

you got your ass in the back seat..
