born from ass - that's whre you'd like to return
maiden hairy butts are for what you yearn
you're a misrouted "homo" erectus
dressed in leather & walrus moustache

Polesmoker
mountain brokeback
save my ass
give a wack
sperm drips from your faggot head
slink away
or listen to DEAD

stalking male asses restless & dribbling
horny for Wieners addicted from "smoking"
free your mouth and a cock will follow
free your pants and your bottocks will swallow

Polesmoker...

crawl back in your own ass!

fuck yourself, you'll never see my back.
what you see is what you will not get.
won't bow down for a dropped hundred-bucks note.
my prick is promised for a female throat.

Stalking male asses...
