I'm so sick of T.V.
You know, I'm getting bored of the tube
I'm so sick of romance
And I'm gettin' real sick of you

I wanna get on out of here
Find me somethin' to do
Yeah, get on outta here
Just aint nothin' to do

I'm so sick of FM
I don't play my stereo too
Just wanna get out on the street fights
Just aint nothin' to do

There aint nothin' to do
Gonna beat up the next hippie I see
Maybe I'll be beatin' up you
Look out, baby here I comes

Yeah, Punch out

There aint nothin' to do
I'm gonna knock down the next old man I see
Maybe I'll be knockin' down you

There aint nothin' to do
"Hey, Cheetah"
"Yeah Stiv"
"I'm bored, lets go pick up some Hilly Girls or
something"
"Alright!"
