Put my trust in your love  
I defended you  
Despite our past  
I still breathe for you (for you...)  
My side is chosen for destiny  
And this is all I see

Leaves falling down  
Falling side by side  
All I predicted has now begun  
Leaves falling down  
Anywhere I hide  
All that was laid down  
It seems I drown

You made my beliefs grow little stronger  
I'm at the end  
Can't feel it no longer (longer...)  
When I dream  
I am still awake  
And this is all I see

Leaves falling down  
Falling side by side  
All I predicted has now begun  
Leaves falling down  
Anywhere I hide  
All that was laid down  
It seems I drown

Leaves fall down  
One by one  
Leaves falling down  
In tears I drown  
Leaves fall down  
One by one  
Leaves falling down  
In tears I drown

Leaves falling down  
Falling side by side

All I predicted has now begun  
Leaves falling to pieces  
All that was laid down  
It seems I drown

Leaves falling down  
Falling side by side (Falling down...)  
All I predicted has now begun  
Leaves falling down  
Anywhere I hide (anywhere I hide...)  
All that was laid down  
It seems I drown
