I Keep My Eyes Shut
I Keep My Eyes Shut
I Keep My Eyes Shut

This world I f*cking hate it
And everything that we've created
Just to cope, I smoke some dope
And spend my day sedated
Eyes dilated
Skewed perception, my sight shaded
Visors always down
I only see what's over-rated
And I hate it
I can't take it
But still I try to fake it
Growing old
Out in the cold
I'm standing there butt naked
God forsakes it
So I takes it
Everyday my will, he breaks it
Everything he gives to me eventually he takes it

I don't give a damn
I am who I am
And I don't give a damn what you think of me
I am who I am
I don't give a damn
Because living with closed eyes is easy

Just a simple poet
Not a prophet, don't I know it
Just admit
It tastes like sh*t
No need to sugar coat it
I just wrote it
Never spoke it
And I don't want it if I can't smoke it
I've become so f*cking numb
This feeling I evoke it
I'm not jokin'

I feel broken
But that don't stop me from smokin'
Every night you see the light
And know that I am tokin'
God has spoken
No, I'm jokin
My will to live it still lies broken
I Keep on smokin', keep on tokin'
My true feelings left unspoken

I don't give a damn
I am who I am
And I don't give a damn what you think of me
I am who I am
I don't give a damn
Because living with closed eyes is easy

I keep my eyes shut
Open them another day
I keep my eyes shut
I feel blinded anyways
I keep my eyes shut
Nothing here I want to see
I keep my eyes shut
But this world won't let me be

With closed eyes (repeat)

I don't give a damn
I am who I am
And I don't give a damn what you think of me
I am who I am
I don't give a damn
Because living with closed eyes is easy
