Push me around 'cause i'm weaker then you there's a
million things that i can't do
I was given a limit the day i was born a travesty that i
can't ignore
Everyday is a constant fight i lay awake in bed ay night
And wonder if there's reason for this does me lack of
stength have a purpose
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
I know there's something i have to do I'll kill everyone if
i really have to
All i have is my new belief if i find my fate I'll cure my
grief
Its so hard to live this way i search for reason everyday
For my weakness never ends and i deserve a little
revenge
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thinking all day long i'm gonna kick your ass
this time
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time

Fuck all of you i may not be strong but i can fight you
with my mind
I've been thining all day long i'm gonna kick your ass
this time
Fuck you i'm gonna kick you ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
I'm gonna kick your ass this time
