I've got a new age girl
(Tell us what she's like)
Environmental girl
(Does she ride a bike?)

She has a crystal necklace
(She spend a lot of cash)
Though her vibes are rather reckless
(Heading for a crash)

Oh, her flowing skirt is blowing in a transcendental
wind
And she wonders without knowing, where did we begin

Mary Moon, she's a vegetarian
(Mary Moon, Mary Moon, Mary Moon)
Mary Moon will outlive all the septuagenarians
(Mary Moon, Mary Moon, Mary Moon)
Oh she loves me so, she hates to be alone
She don't eat meat but she sure like the bone

You know, she drives wind car
(How does she like it?)
It doesn't get her far
(Why she doesn't bike it?)

But it gets her to where she's going
I don't know, I don't know where that is
I wish I knew

I don't know where she's going and I don't know where
she's been
All I know that lovin' her has got to be a sin

Mary Moon, she's a vegetarian
(Mary Moon, Mary Moon, Mary Moon)
Mary Moon will outlive all the septuagenarians
(Mary Moon, Mary Moon, Mary Moon)
Oh she loves me so, she hates to be alone
She don't eat meat but she sure like the bone

Mary Moon, will you hesitate

Don't segregate your thoughts from your emotions
(Mary Moon)
I know devotion isn't way up high

Mary Moon, she's a vegetarian
(Mary Moon, Mary Moon, Mary Moon)
Mary Moon will outlive all the septuagenarians
(Mary Moon, Mary Moon, Mary Moon)

Mary Moon, she's an intellectual
(Mary Moon, Mary Moon, Mary Moon)
Mary Moon, despite that fact remains quite sexual
(Mary Moon, Mary Moon, Mary Moon)

Mary Moon
(Mary Moon, Mary Moon, Mary Moon)
Oh, Mary Moon
(Mary Moon, Mary Moon, Mary Moon)

Mary Moon
(Mary Moon, Mary Moon, Mary Moon)
She's the one for me, me oh
(Mary Moon, Mary Moon)
